1 General

Description of the tasks that the RA Security Officer performs and what his responsibilities are in the administration of the e-identities in the RA organization.

The Qualifications section is only valid for those who claims to be LoA compliant.

The Responsibility and Duties section has one Basic part and one Extended part. The Extended part is valid for LoA compliant organizations.

2 Qualifications

Before a person is assigned the role of RA Security Officer, an identity check must be made by a representative within the RA organization with the applicable mandate. At the identity check, the person who shall be assigned to the role must present a valid and nationally approved identity document.

A background check must be done on the person that is assigned the role.

The person assigned the role must not have another assignment within or outside the RA organization that can be considered to conflict with the work as RA Security Officer. For example, other RA roles like RA Auditor or any other RA Officer role.

The RA Security Officer must have sufficient training, time, and resources set aside to carry out his assignment.

3 Responsibilities and Duties

The following tasks are performed by the RA Security Officer.

3.1 Basic
